From Scandinavia's first Viking town in Sweden, Visby, to medieval walled cities like Copenhagen, medieval castles like Stavanger and Oslo, Norway's famous fjords and the northern lights, this Scandinavia travel itinerary offers something for everyone. Discover Norway's most spectacular waterfalls, before watching the northern lights while you hike in the mountains. This northern lights activity, a highlight of this Scandinavian tour, is perfect for photographers, but it will be amazing for the entire family too! Check out the fascinating history of Sweden's old town Visby, explore the medieval city of Uppsala, and ride a historic steam train through the Swedish countryside. You'll also be driving across the dramatic fjords of Norway, visiting the UNESCO World Heritage Site of Geirangerfjord, before arriving in Oslo and exploring the medieval castle there. See the beautiful Lake Mjøsa and watch the northern lights from the Norwegian mountains. Along this Scandinavian tour, you'll also be visiting the Skansen park in Stockholm and Stockholm Castle. You'll find plenty of amazing culture, art and historical sights on this incredible Scandinavian vacation. Hop on a unique cruise ship and spend a night on board, watching the northern lights and enjoying the amazing scenery of Norway. After exploring the city of Oslo, you'll board a helicopter and take a tour of the countryside, where you can spot some of the spectacular sights you'll see on this Scandinavian tour. The highlight of this Norwegian tour will be your stay in the stunning, mountainous region of Hedmark, where you'll see traditional Norwegian farm houses and watch the sunset from the beautiful and picturesque Geirangerfjord. There's plenty to see on this unforgettable vacation, including one of Europe's highest peaks, Namsen. This detailed Nordic itinerary includes a full day in Stockholm, where you can visit the Stockholm's royal palace and the viking boat museum, before moving on to visit the UNESCO World Heritage Site of Skansen Park, where you'll see for yourself the best of Stockholm's outdoor sights. Visit the world famous Northern Lights museum and cruise around the lake Mjøsa, which offers incredible views of the surrounding scenery. This Scandinavian vacation includes one day exploring the home of the Viking World Heritage site in Uppsala, visiting the UNESCO World Heritage Site of Hammarby Slott 82157476af
